While college is a fantastic way to gain knowledge and valuable skills, it's understood that going to a university is expensive, and textbooks can make the bill go even higher. However, you don't have to break the bank to finance a good education; there are plenty of places on the web where you can find and download free online textbooks for nearly any class available.

Ways to Find Free Textbooks Online - Lifewire

Also check out usenet, lots of books get posted. I've found some textbooks that way. The biggest challenge I've found is that books are so small (relative to blu-ray movies) that they're often made into a pack of books on a topic/subject. So you may have to download a few to see what they have available.
