Religion in the United Kingdom, and in the countries that preceded it, has been dominated for over 1,400 years by various forms of Christianity. Religious affiliations of United Kingdom citizens are recorded by regular surveys, the four major ones being the national decennial census, the Labour Force Survey, the British Social Attitudes survey and the European Social Survey.

Religion in the United Kingdom - Wikipedia

Mythology is the main component of Religion. It refers to systems of concepts that are of high importance to a certain community, making statements concerning the supernatural or sacred. Religion is the broader term, besides mythological system, it includes ritual. A given mythology is almost always associated with a certain religion such as Greek mythology with Ancient Greek religion.

Prof. Dr. Knut Hinkelmann 6 Classification Schemes 3 Classification Classification is an organization means arranging information items into classes - dividing the universe of information into manageable and logical portions. A class or category is a group of concepts that have something in common. This shared property gives the class its identity.
