General Recording RecordPad is a general audio recording program to quickly and easily record sound on your computer.

Audio Sound Recording Software. Download Free Recorder

In sound recording and reproduction, and sound reinforcement systems, a mixing console is an electronic device for combining sounds of many different audio signals. Inputs to the console include microphones being used by singers and for picking up acoustic instruments, signals from electric or electronic instruments, or recorded music. Depending on the type, a mixer is able to control analog ...
