The Study of Language she, it). We sometimes assume that these words identify someone or something uniquely, but it is more accurate to say that, for each word or phrase, there is a â€œrange of referenceâ€™. The words Jennifer or friend or she can be used to refer to many entities in the world. As we observed earlier, an expression such as the

### **The Study of Language [George Yule] - DRRZ**

In the study of language, some of the most interesting observations are made, not in terms of the components of language, but in terms of the way language is used, even how pauses are used, as in Jerry Seinfeldâ€™s commentary. We have already considered some of the features of language in use when we discussed pragmatics in the preceding chapter .
