This is a list of spacecraft found in the Culture novels and short stories by Iain M. Banks. Most ships in this list are members of The Culture, the hybrid society featured in many of these novels. In this setting, each Culture ship, and some others, is also an artificial intelligence with a distinctive personality. Many of these ships are significant characters in the novels.

List of spacecraft in the Culture series - Wikipedia

The Culture is a fictional interstellar post-scarcity civilization or society created by the Scottish writer Iain M. Banks and features in a number of his space opera novels and works of short fiction, collectively called the Culture series. In the series, the Culture is composed primarily of sentient beings of the pan-human variety, artificially intelligent sentient machines, and a small ...

And sometimes, the apparent lack of discipline is the whole point: some military organizations in fiction land are not disciplined because they do not need discipline to begin with. Either the members are competent or simply badass enough so that "normal" discipline is not necessary any more, or the common cause they are fighting for and/or the charisma of their leader is enough to ensure ...
